Re: Cause No; DR-70-CA-14; *Morales v. Shannon*

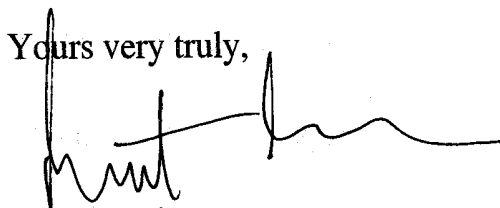

Dear Clerk:

Please find enclosed for filing among the papers of the above entitled and numbered cause the Statistical Report of the Uvalde Consolidated Independent School District called for in the Court's prior Order. This report covers the school years 2005-2006 and 2006-2007. Additionally, this includes a Staff Ethnicity Report for school years 2001-2002 and 2006-2007.

Please file stamp the copy enclosed and return it in the self-addressed envelope to the undersigned.

Thank you for your usual cooperation and courtesies.

Yours very truly,

Grant Cook

From: Lee Schermerhorn

Re: Enrollment and ethnic breakdowns for Anthon, Benson and Robb

As of October 28, 2005 the following represents enrollments and Hispanic population percentages for:

<u>School</u>	<u>Total Enrollment</u>	<u>Hispanic Enrollment</u>	<u>Hispanic percentage</u>
Anthon	563	504	89.52%
Benson	362	326	90.00%
Robb	472	426	90.25%
<u>Uvalde CISD Enrollment</u>		<u>Hispanic Enrollment</u>	<u>Hispanic percentage</u>
District	5212	4523	86.78%

The District is in compliance with the Federal Court Order concerning ethnic distribution for the 2005-06 school year because all of the three 1-4 grade campuses are fewer than 5 percentage points more or less than the district percentage of 86.78%.

The three campuses are very well aligned with less than one percentage point variance among them.

**Agenda Item – 13  
January 9, 2007**

# **INFORMATION ON MULTI-GRADE ALIGNMENT**

## **Background Information:**

Uvalde CISD, through a Multi-Grade Task Force, monitors the student demographics at Anthon Elementary, Benson Elementary, and Robb Elementary Schools. Since the Multi-Grade Alignment for grades 1 – 4 occurred in 1996, UCISD has insured that student demographics at these campuses match the demographics of the community.

As of October 27, 2006 the following represents enrollments and Hispanic population percentages for:

<u>Uvalde CISD Enrollment</u>	<u>Hispanic Enrollment</u>	<u>Hispanic Percentage</u>
-------------------------------	----------------------------	----------------------------

Uvalde CISD	5135	4471	87.07%
-------------	------	------	--------

<u>School</u>	<u>Total Enrollment</u>	<u>Hispanic Enrollment</u>	<u>Hispanic Percentage</u>
---------------	-------------------------	----------------------------	----------------------------

Anthon	596	530	88.93%
--------	-----	-----	--------

Benson	413	373	90.3%
--------	-----	-----	-------

Robb	469	417	88.9%
------	-----	-----	-------

Uvalde Consolidated Independent School District is in compliance with the Federal Court Order concerning ethnic distribution for the 2006-07 school year because all of the 1-4<sup>th</sup> grade campuses are within 5 percentage points more or less than the district percentage of 87.07% for Hispanics.

The three campuses are very well aligned with less than 1.5 percentage point variance among them.
